

Always Remember

The art of the Scrollsaw is an acquired skill. You must teach yourself through practice and attention to detail. In a Chapter, all levels of ability help and support each other. At a Chapter meeting, "Show & Tell" table, we are inspired by what others accomplish and rise to the challenge of competition.

Our pride and Chapter spirit is reflected in our Chapter Name and Logo, but most of all in what we, as a group, give back to our communities. This can take the form of promotion at Street/Craft Fairs, Youth Workshops where we can teach the craft of Scrolling, Public demonstrations and Senior Center talks. Finally, enjoy the fellowship of each other as a Chapter of the Scrollsaw Assoc. of the World

SAW Chapter Kit Order Form

Steps to Organize a Chapter

First, read this brochure, then fill in the order form and order a SAW Chapter organizing kit. Bring together some of your friends, fellow scrollers and decorative painters. Have an informal get together and talk about the idea of forming a local Chapter. All you need is three or

A simple painted cut-out mounted on a dowel could be a great fund raiser.

four to get started. More will come and you'll be surprised what a sign in the local hardware store or in the local lumber yard office will produce. Contact your local paper and ask them to print an article describing your meeting. Remember, WHO, WHAT, WHEN, WHERE. Answer these and you will have your article. Refreshments are nice but not necessary. Have everyone introduce themselves, state your purpose. Pass out applications to SAW and follow the Chapter Organizing Guide you ordered from your SAW Representative. Remember be flexible, relax and enjoy yourself. Don't forget:

By-Laws ,and Benefits

Plus Vendor Support Coupons

Your Chapter Kit will contain a sample copy of the By-Laws we recommend you use. Configure it to reflect your Chapter and your members desires. Have the three principal officers sign it and submit a copy to the home office with your Chapter membership applications, fees, and Charter Request. A Certificate, suitable for framing will be sent and will be renewed each year there after on your Chapter anniversary date.

Each member will, as a result of their membership in SAW, receive a copy of the Annual Directory, and a subscription to our Quarterly Newsletter (booklet) "SAW DUST".

(if you are already a SAW member, you know this) In the Newsletter you will find a wealth of information, patterns and in the center section will be discount coupons, which when used, will serve as a discount for you and help our suppliers of products, patterns, book, and services that we need and use in our craft.
