## SAW Purposes and Goals

The Scroll saw Association of the World (SAW) is an international, non-profit organization dedicated to the advancement of scrollsawing. It is made up of individual members, local chapters, and up to a nine-member volunteer board of directors.

Our fundamental purpose is to provide education, information, and organization to those interested in the art of scrollsawing. Membership is open to anyone with an interest in scrollsawing.

New programs are always in development by SAW to aid in the growth of scrolling and to develop the skill level of individual scrollers. Some of the programs developed up to now include: Scholarships, ACES (Anyone Can Enjoy Scrolling), SAW sponsored contests, and many others.

Your paid membership in the Scroll saw Association of the World includes a subscription to our quarterly newsletter *SAW Dust*, and access to our resource Directory. As well as access to many designers patterns. Also get helpful hints from veteran scrollsawers.

\$1 of each membership fee is directed towards the Scholarship program. SAW also supports our official web site at <http://www.saw-online.com>, the most comprehensive scrollsaw resource available online.
